UNIVERSITY OF PETROLEUM & ENERGY STUDIES

PERFORMANCE EVALUATION FORM

University of Petroleum & Energy Studies (UPES), Dehradun, shall appreciate your evaluation of our student's performance. We have found that feedback from supervisors/ mentor is extremely valuable for students, for their career. We are open to constructive criticism and would appreciate your candid feedback as it would help the concerned student(s) to face the challenges of the dynamic corporate world. We value your professional and honest evaluation.

Also, our students are evaluated on the project assigned by your esteemed organization and your feedback is an integral part for our assessment. A student may not be graded, if his/her feedback does not reach to the concerned University's official via courier/fax/mail us. Hence, we request you to kindly spare a few minute of your valuable time to pen down your suggestions.

Thank you.
